after the snow began to fall is a novel that will make you laugh cry sit on the edge of your seat at times and present you with questions maybe even a few answers that have challenged each of us during our lifetimes the world in which these characters live is much different than that which we face but their approach to living should be an inspiration to all they must make do with less and become innovative when it counts life and death decisions are intertwined with humor and romance without anyone else to come to their aid they struggle to survive and create a new life for themselves and those who join them along the way in addition this novel is rather unique i think because it is actually two novels in one one of the characters is a writer who creates a novel for the other characters as the story proceeds
